# FREEZE on Winter Fires

Did you know?

**1 in every 7**  
home fires and  
**1 in every 5**  
home fire deaths  
involves heating  
equipment.

As you stay cozy and warm this winter, stay fire smart!

Have a qualified professional  
clean and inspect your chimney  
and vents **every year.**

Store cooled ashes  
in a tightly covered  
metal container and  
keep it **outside at  
least 10 feet** from  
your home and any  
nearby buildings.

U.S. Fire  
Administration

163 East Main St.  
Dover-Foxcroft, ME  
04426  
207-564-8660

## Be Ready! Winter Weather

**Weatherproof your home to protect against the cold.**

- Install a smoke detector and carbon monoxide detector in your home.
- Have your chimney or fire inspected every year.
- Make sure the batteries are working.
- Insulate walls and attic.
- Caulk and weather strip doors and windows.
- Check out more tips on winter weather indoors safety.
- Never leave lit candles or other flames unattended.
- Bring your pets indoors as temperatures drop.

**Prepare yourself for exposure to winter weather.**

- Dress warmly and limit exposure to the cold to prevent frostbite.
- Avoid getting wet to prevent hypothermia.

**Make sure your car is ready for winter travel.**

- Check antifreeze level and have radiator system serviced.
- Replace worn tires and check tire air pressure.
- Make a winter emergency kit to keep in your car.
- Keep gas tank full to avoid ice in tank and fuel lines.

**If power lines are down, call your local utility and emergency services.**

If power lines fall on your car, warn people not to touch the car or power lines.
