

Dover-Foxcroft Climate Action Advisory Committee

Meeting in-person on Monday August 5, 2024 at 9:30 pm at Central Hall Commons

AGENDA

Updates

1. Application to re-enroll in the Community Resilience Partnership:
 - Update Primary Point of Contact information- still Jack or Alsina?
 - Updated Community Resilience Self-Evaluation - **Please review** the attached document. proposed by the stakeholders group meeting on July 12. If you want to add information, bring to the CAAC meeting or email Carole.
 - Updated List of Community Actions - revisit the list of actions and note any changes in priorities.
2. Transportation news
3. CEC Climate Conversations
4. Mayo Mill Dam Committee news
5. Other

New Projects

1. Climate Action Advisory – Community Survey
Rather than an in-person workshop, we will distribute a Community Survey. **Please review** the attached doc for any changes. The items on the survey are from the list of no-match Community Actions.
2. EV Charging Station progress

Next meeting: we agreed to meet on the first Monday of the month, but September 2 is Labor Day. Shall we move the next meeting date to September 9? 9:30 am at Central Hall Commons

Next meeting-Monday July 1 at Central Hall Commons, 9:30 am
