## DOVER-FOXCROFT WASTE DISPOSAL FEE SCHEDULE - RESIDENTIAL AND COMMERCIAL USERS

\$2 per gallon for containers 1 gallon or more

Metal Cylinders \$10 (20lbs or more)

\$1 (less than 20 lbs.)

Less than 1 lbs. – NO FEE

Fees are payable at the time of delivery.

Fees to be paid at the Dover-Foxcroft Town Office Monday Through Friday

Fees may be paid at the Solid Waste Facility on Saturdays.

**The Town will establish one day per year “free day” when fees will not apply for residential waste disposal with the exception of paint. On this day, residential disposal of tires at no fee will be limited to 4 tires less than 20”, stuffed furniture (2-piece limit), TV’s/Computer Monitors [CRTs] (limit 2) per person/per permit. “Free day” will be the first Saturday in May unless otherwise posted.**

Mattresses and box springs are not accepted at the Dover-Foxcroft Solid Waste Facility unless disassembled and separated by wood, metal, etc.

Carpet must be cut into 4’ x 4’ squares.

Loads greater than 6 yards not accepted at the Dover-Foxcroft Solid Waste Facility.

For larger demolition projects-- If you do not wish to separate sheet rock, shingles, insulation, glass, etc., the following haulers have 15 to 40 yard open top containers for rent:

Bolsters Trash Removal (207) 487-5048

Trashbusters (207) 924-3493

Unseparated waste not delivered to the Dover-Foxcroft facility must be hauled to a licensed disposal facility. Cost will vary according to waste type, weight, and mileage to disposal facility.

### Definitions

**Demolition Debris** – Debris resulting from construction remodeling, repair, and demolition of structures.

**Municipal Solid Waste (MSW)** - Solid waste emanating from households and normal commercial sources. MSW does not include liquid waste of any kind.

**Commercial Waste**- Solid waste generated by stores, offices, restaurants, warehouses, and other non-manufacturing, non-processing activities. Commercial waste includes waste generated by an individual or business during the course of commercial activities or any waste transported to the facility by any individual or business as part of a commercial activity. Commercial waste also includes any waste generated by any institutional, governmental, or nonprofit entity.
